

CLOUDADDA

Trainee Login Details

The image shows a 'Student Login' form for CloudAdda. At the top, it says 'Student Login' and 'Sign in to continue to CloudAdda.' There is a CloudAdda logo and an illustration of a person working on a laptop. The form has two input fields: 'Username' with the placeholder text 'User-ID given by your trainer' and 'Password' with the placeholder text 'Enter Password'. Below the password field is a checkbox labeled 'Remember me'. At the bottom is a blue 'Log in' button.

Trainee Login Details

Username And Password

Enter the Login ID and Password which is provided by Trainer

Trainee Dashboard

The screenshot shows a web dashboard for a trainee. At the top, there's a header with a logo and a user profile dropdown labeled 'CA-35-ODS-Training-640-1'. Below the header, a blue navigation bar contains the word 'Dashboard'. The main content area is titled 'DASHBOARD' and includes a 'Welcome Back!' message with a user profile card showing 'Student' and '1 # VMs'. To the right, there are four summary cards: 'Cores' (4), 'RAM' (8), 'Storage' (100), and 'Network Transfer' (coming soon). Below these is a table titled 'VM's Assigned' with columns for VM Name, Status, Start/Stop, Console, # Cores, Ram, Storage, and IP Address. The table lists one VM, 'ODS-sqlDB-1', which is 'Powered OFF'. It has a green 'Start VM' button and a blue 'Click here' link. To the left of the table is a 'Trainer Console Access' section with a table listing 'ODS-sqlDB-1' and an 'Open' button. A note below states: 'Console appears only if your trainer has enabled student console to appear.' The footer contains copyright information for CloudAdda.

VM Name	Status	Start/Stop	Console	# Cores	Ram	Storage	IP Address
ODS-sqlDB-1	Powered OFF	Start VM	Click here	4	8 GB	100 GB	

Start/Stop:

Click on Start VM to start the machine

Console:

Click on "Click Here" Button, it'll open the console.
